Feature highlights

Robust wheels and all-road tires

The Rally II wheels and the more aggressive tires offer greater durability and better traction on dirt and gravel roads.

KYB® HPG Kashima front shocks

Adjustable KYB shocks with Kashima coating reducing friction for a more responsive, smooth ride while offering superior durability.

Rally Comfort Seat

A higher, wider seat with thicker padding, offering enhanced comfort and a more responsive riding position.

Adjustable large anti-slip footpegs

These anti-slip footpegs feature a larger platform for improved support and comfort, with enhanced foot grip for better control.

All-Road ready

A vehicle designed for all-road trips with handguards, A-Arm protectors, Rally mud flaps and air intake with pre-filter.

Rally mode

Designed for unpaved roads and loose surfaces, Rally Mode allows more rear-wheel slip and enhances fun by optimizing traction control and ABS (VSS).
