For all other countries, please ask your local authority.

Feature highlights

Tire Pressure Monitoring System (TPMS)

Easily access your tire pressure readings! The tire pressure monitoring system provides real-time PSI readings while you ride and displays them directly on your 10.25 in. touchscreen. A warning is displayed if the pressure is low.

Ultra-comfortable Sea-to-Sky seats

Travel long distances in comfort thanks to the adaptive foam seats with an exclusive design and the adjustable backrest for the driver. On colder days, stay warm with the heating function.

Adjustable side wind deflectors

Regulate driver and passenger lower-body airflow. Change to closed, open or parallel position for optimal comfort. Simple, tool-free adjustment so you can spend more time riding.

Exclusive Sea-to-Sky vehicle cover

The RT Sea-to-Sky cover protects your vehicle from the elements. This waterproof outdoor cover features the exclusive Sea-to-Sky branding.

Backup camera

Improve user visibility when the vehicle is in reverse. Easy to use, the camera automatically appears on your screen when you put the vehicle in reverse.

Three travel bags for the front and side compartments

Extend the style and convenience beyond the ride with semi-rigid front and rear side cargo travel bags with Sea-to-Sky signature design.
