## FEATURE HIGHLIGHTS

### Next Generation Spark® Hull

The newest Spark hull generation design has an improved appearance, revamped comfort and convenience with upgraded technology. The Innovative Polytec™ material further reduces weight while optimizing performance and efficiency. The color-in molding is more scratch-resistant than fiberglass.

### Extended Range VTS™ (Variable Trim System)

Offers double the range of the regular VTS™ for greater ease when executing tricks.

### Handlebar With Adjustable Riser

A telescopic steering system that optimizes the experience for varying rider sizes.

### Rotax® 900 ACE™ – 90 Engine

The Rotax 900 ACE – 90 gives crisp acceleration with impressive fuel economy.

### Upgraded BRP Audio – Portable System (optional)

A completely redesigned audio system with higher quality sound on and off the water featuring Concert, Ride and Home mode. Features a heavy duty mounting bracket.

### iBR® – Intelligent Brake & Reverse

Exclusive to Sea-Doo®, iBR stops the watercraft sooner and provides more control and maneuverability at low speeds and in reverse.
